

# House Concert with Andreas Scholl and Tamar Halperin

*Impressions from the Event on 23 May 2017*

*Together with Andreas Scholl and Tamar Halperin, winners of the 2016 Hessian cultural award, Runte.Weil & Alt GmbH hosted a concert at the artists' home in Kiedrich. This was the first concert in 2017 where the two musicians presented part of their new repertoire to the public. The guests present were excited by the performance and enjoyed, besides the artists' hospitality, a unique evening of music.*
