

*Rheingau Music Festival:  
Traveling Musicians at the Robert Weil Winery*

*Impressions of the event on 22th July 2018*

*Runte.Weil & Alt GmbH had invited to Weingut Robert Weil on the occasion of the Rheingau Music Festival. Excellent wines, regional dishes, a wonderful scenery and, of course, the rousing musicians were again the recipe for success of this classic highlight. Riesling dry or fine-dry? QbA" or "Große Lage"? These were the most difficult decisions our guests had to make this afternoon. Otherwise they could completely relax and enjoy the culinary delights and great music ranging from klezmer to swing.*
